(D)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent violation, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a

controlled substance, or a combination of them in the defendant's or child's whole blood, blood serum or plasma, urine, or breath at the time of the alleged violation as shown by chemical analysis of the substance withdrawn, or specimen taken within ~~two~~ three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (C) of section 1547.111 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section.

When a person submits to a blood test, only a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or ~~alcohol and drug~~ combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division if, in that person's opinion, the physical welfare of the defendant or child would be endangered by withdrawing blood.

The whole blood, blood serum or plasma, urine, or breath shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for a violation of a prohibition that is substantially equivalent to division (A) of this section, if there was at the time the bodily substance was taken a concentration of less than the applicable concentration of alcohol specified for a violation of division (A)(2), (3), (4), or (5) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(6) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant or in making an adjudication for the child. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for a violation of a prohibition that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney immediately upon completion of the test analysis.

The person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests in addition to any administered at the direction of a law enforcement officer, and shall be so advised. The failure or inability to obtain an additional test by a person shall not preclude the admission of evidence relating to the test or tests taken at the direction of a law enforcement officer.

(E)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent violation, if a law enforcement officer has administered a field sobriety test to the operator or person found to be in physical control of the vessel underway involved in the violation or the person manipulating the water skis, aquaplane, or similar device involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for reliable, credible, and generally accepted field sobriety tests for vehicles that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that have been set by the national highway traffic safety administration, that by their nature are not clearly inapplicable regarding the operation or physical control of vessels underway or the manipulation of water skis, aquaplanes, or similar devices, all of the following apply:

(a) The officer may testify concerning the results of the field sobriety test so administered.

(b) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(c) If testimony is presented or evidence is introduced under division (E)(1)(a) or (b) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence, and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(2) Division (E)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (E)(1) of this section.

(F)(1) Subject to division (F)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of this section or for an equivalent violation, the court shall admit as prima-facie evidence a laboratory report from any ~~forensic~~ laboratory ~~certified~~ personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (F)(1) of this section is not admissible against the defendant or child to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's or child's attorney or, if the defendant or child has no attorney, on the defendant or child.

(3) A report of the type described in division (F)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant or child to whom the report pertains or the defendant's or child's attorney receives a copy of the report, the defendant or child or the defendant's or child's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(G) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, and a hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, is immune from criminal and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(H) Division (A)(6) of this section does not apply to a person who operates or is in physical control of a vessel underway or manipulates any water skis, aquaplane, or similar device while the person has a concentration of a listed controlled substance or a listed metabolite of a controlled substance in the person's whole blood, blood serum or plasma, or urine that equals or exceeds the amount specified in that division, if both of the following apply:

(1) The person obtained the controlled substance pursuant to a prescription issued by a licensed health professional authorized to prescribe drugs.

(2) The person injected, ingested, or inhaled the controlled substance in accordance with the health professional's directions.

(I) As used in this section and section 1547.111 of the Revised Code:

(1) "Equivalent violation" means a violation of a municipal ordinance, law of another state, or law of the United States that is substantially equivalent to division (A) or (B) of this section.

(2) "National highway traffic safety administration" has the same meaning as in section 4511.19 of the Revised Code.

(3) "Operate" means that a vessel is being used on the waters in this state when the vessel is not securely affixed to a dock or to shore or to any permanent structure to which the vessel has the right to affix or that a vessel is not anchored in a designated anchorage area or boat camping area that is established by the United States coast guard, this state, or a political subdivision and in which the vessel has the right to anchor.

(4) "Controlled substance" and "marihuana" have the same meanings as in section 3719.01 of the Revised Code.

(5) "Cocaine" and "L.S.D." have the same meanings as in section 2925.01 of the Revised Code.

Sec. 1547.111. (A)(1) Any person who operates or is in physical control of a vessel or manipulates any water skis, aquaplane, or similar device upon any waters in this state shall be deemed to have given consent to a chemical test or tests to determine the alcohol, drug of abuse, controlled substance, metabolite of a controlled substance, or ~~alcohol and drug of abuse~~ combination content of the person's whole blood, blood serum or plasma, breath, or urine if arrested for operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance.

(2) The test or tests under division (A) of this section shall be administered at the direction of a law enforcement officer having reasonable grounds to believe the person was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance. The law enforcement agency by which the officer is employed shall designate which test or tests shall be administered.

(B) Any person who is dead or unconscious or who otherwise is in a condition rendering the person incapable of refusal shall be deemed to have consented as provided in division (A)(1) of this section, and the test or tests may be administered, subject to sections 313.12 to 313.16 of the Revised Code.

(C) Any person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance shall be advised of the consequences of refusing to submit to a chemical test or tests designated as provided in division (A) of this section. The advice shall be in a written form prescribed by the chief of the division of

watercraft and shall be read to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. The reading of the form shall be witnessed by one or more persons, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation, and if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(D) If a law enforcement officer asks a person under arrest for violating section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance to submit to a chemical test or tests as provided in division (A) of this section, if the arresting officer advises the person of the consequences of the person's refusal as provided in division (C) of this section, and if the person refuses to submit, no chemical test shall be given. Upon receipt of a sworn statement of the officer that the arresting law enforcement officer had reasonable grounds to believe the arrested person violated section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance and that the person refused to submit to the chemical test upon the request of the officer, and upon receipt of the form as provided in division (C) of this section certifying that the arrested person was advised of the consequences of the refusal, the chief of the division of watercraft shall inform the person by written notice that the person is prohibited from operating or being in physical control of a vessel, from manipulating any water skis, aquaplane, or similar device, and from registering any watercraft in accordance with section 1547.54 of the Revised Code, for one year following the date of the alleged violation. The suspension of these operation, physical control, manipulation, and registration privileges shall continue for the entire one-year period, subject to review as provided in this section.

If the person under arrest is the owner of the vessel involved in the alleged violation, the law enforcement officer who arrested the person shall seize the watercraft registration certificate and tags from the vessel involved in the violation and forward them to the chief. The chief shall retain the impounded registration certificate and tags and shall impound all other registration certificates and tags issued to the person in accordance with sections 1547.54 and 1547.57 of the Revised Code, for a period of one year following the date of the alleged violation, subject to review as provided in this section.

If the arrested person fails to surrender the registration certificate because it is not on the person of the arrested person or in the watercraft, the law enforcement officer who made the arrest shall order the person to surrender it within twenty-four hours to the law enforcement officer or the law enforcement agency that employs the law enforcement officer. If the person fails to do so, the law enforcement officer shall notify the chief of that fact in the statement the officer submits to the chief under this division.

(E) Upon suspending a person's operation, physical control, manipulation, and registration privileges in accordance with division (D) of this section, the chief shall notify the person in writing, at the person's last known address, and inform the person that the person may petition for a hearing in accordance with division (F) of this section.

If a person whose operation, physical control, manipulation, and registration privileges have been suspended petitions for a hearing or appeals any adverse decision, the suspension shall begin at the termination of any hearing or appeal unless the hearing or appeal results in a decision favorable to the person.

(F) Any person who has been notified by the chief that the person is prohibited from operating or being in physical control of a vessel or manipulating any water skis, aquaplane, or similar device and from registering any watercraft in accordance with section 1547.54 of the Revised Code, or who has had the registration certificate and tags of the person's watercraft impounded pursuant to division (D) of this section, within twenty days of the notification or impoundment, may file a petition in the municipal court or the county court, or if the person is a minor in juvenile court, with jurisdiction over the place at which the arrest occurred, agreeing to pay the cost of the proceedings and alleging error in the action taken by the chief under division (D) of this section or alleging one or more of the matters within the scope of the hearing as provided in this section, or both. The petitioner shall notify the chief of the filing of the petition and send the chief a copy of the petition.

The scope of the hearing is limited to the issues of whether the law enforcement officer had reasonable grounds to believe the petitioner was operating or in physical control of a vessel or manipulating any water skis, aquaplane, or similar device in violation of section 1547.11 of the Revised Code or a substantially equivalent municipal ordinance, whether the petitioner was placed under arrest, whether the petitioner refused to submit to the chemical test upon request of the officer, and whether the petitioner was advised of the consequences of the petitioner's refusal.

(G)(1) The chief shall furnish the court a copy of the affidavit as provided in division (C) of this section and any other relevant information requested by the court.

If the petition is filed in the municipal court, the chief shall be represented as provided in section 1901.34 of the Revised Code.

(3) If the court finds from the evidence submitted that the person has failed to show error in the action taken by the chief under division (D) of this section or in one or more of the matters within the scope of the hearing as provided in division (F) of this section, or both, the court shall assess the cost of the proceeding against the person and shall uphold the

suspension of the operation, physical control, use, and registration privileges provided in division (D) of this section. In addition, the court shall impose upon the offender a fine of not less than one hundred fifty nor more than one thousand dollars.

The court also may impose any other conditions of community control on the offender that it considers necessary.

(2) If, within six years of the offense, the offender has been convicted of or pleaded guilty to one violation of section 1547.11 of the Revised Code, of a municipal ordinance relating to operating a watercraft or manipulating any water skis, aquaplane, or similar device while under the influence of alcohol, a drug of abuse, or a combination of them, of a municipal ordinance relating to operating a watercraft or manipulating any water skis, aquaplane, or similar device with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine, of division (A)(1) of section 2903.06 of the Revised Code, or of division (A)(2), (3), or (4) of section 2903.06 of the Revised Code or section 2903.06 or 2903.07 of the Revised Code as they existed prior to March 23, 2000, in a case in which the jury or judge found that the offender was under the influence of alcohol, a drug of abuse, or a combination of them, the court shall sentence the offender to a jail term of ten consecutive days and may sentence the offender pursuant to section 2929.24 of the Revised Code to a longer jail term. In addition, the court shall impose upon the offender a fine of not less than one hundred fifty nor more than one thousand dollars.

In addition to any other sentence that it imposes upon the offender, the court may require the offender to attend a drivers' intervention program that is certified pursuant to section 3793.10 of the Revised Code.

(4) Upon a showing that serving a jail term would seriously affect the ability of an offender sentenced pursuant to division (G)(1), (2), or (3) of this section to continue the offender's employment, the court may authorize that the offender be granted work release after the offender has served the mandatory jail term of three, ten, or thirty consecutive days that the court is required by division (G)(1), (2), or (3) of this section to impose. No court shall authorize work release during the mandatory jail term of three, ten, or thirty consecutive days that the court is required by division (G)(1), (2), or (3) of this section to impose. The duration of the work release shall not exceed the time necessary each day for the offender to commute to and from the place of employment and the place in which the jail term is served and the time actually spent under employment.

(5) Notwithstanding any section of the Revised Code that authorizes the suspension of the imposition or execution of a sentence or the placement of an offender in any treatment program in lieu of being imprisoned or serving a jail term, no court shall suspend the mandatory jail term of ten or thirty consecutive days required to be imposed by division (G)(2) or (3) of this section or place an offender who is sentenced pursuant to division (G)(2) or (3) of this section in any treatment program in lieu of being imprisoned or serving a jail term until after the offender has served the mandatory jail term of ten or thirty consecutive days required to be imposed pursuant to division (G)(2) or (3) of this section. Sec. 1905.03. (A) The supreme court may adopt rules prescribing educational standards for mayors of municipal corporations who conduct a mayor's court and who wish to exercise the jurisdiction granted by section 1905.01 of the Revised Code over a prosecution or criminal cause involving a violation of section 4511.19 of the Revised Code, ~~a violation of any ordinance of the municipal corporation relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or a violation of any municipal OVI ordinance of the municipal corporation relating to operating a vehicle with a prohibited concentration of alcohol as defined in section 4511.181 of the blood, breath, or urine~~ Revised Code. Any educational standards prescribed by rule under authority of this division shall be for the purpose of assisting mayors of municipal corporations who conduct a mayor's court and who wish to exercise the jurisdiction granted by section 1905.01 of the Revised Code over such a prosecution or cause in the handling of such a prosecution or cause, and shall include, but shall not be limited to, all of the following:

(1) Provisions for basic training in the general principles of law that apply to the hearing and determination of such prosecutions and causes and provisions for periodic continuing education in those general principles;

(2) Provisions for basic training in the laws of this state that apply relative to persons who are convicted of or plead guilty to any such violation, particularly as those laws apply relative to a person who is convicted of or pleads guilty to any such violation in a prosecution or cause that is within the jurisdiction of a mayor's court as specified in section 1905.01 of the Revised Code, and provisions for periodic continuing education in those laws;

(3) Provisions specifying whether periodic continuing education for a mayor who conducts a mayor's court, who wishes to exercise the jurisdiction granted by section 1905.01 of the Revised Code over such a prosecution or cause, and who has received basic training in the principles and laws described in divisions (A)(1) and (2) of this section will be required on an annual or biennial basis;

(4) Provisions specifying the number of hours of basic training that a mayor who conducts a mayor's court and who wishes to exercise the jurisdiction granted by section 1905.01 of the Revised Code over such a prosecution or cause will have to obtain to comply with the educational standards and provisions specifying the number of hours of periodic continuing education that such a mayor will have to obtain within each time period specified under authority of division (A)(3) of this section to comply with the educational standards;

(5) Provisions establishing an exemption, for a reasonable period of time, from the basic training requirements for mayors who initially take office on or after July 1, 1991, and who wish to conduct a mayor's court and exercise the jurisdiction granted by section 1905.01 of the Revised Code over such a prosecution or cause.

(B) If the supreme court adopts rules under authority of division (A) of this section prescribing educational standards for mayors of municipal corporations who conduct a mayor's court and who wish to exercise the jurisdiction granted by section 1905.01 of the Revised Code over a prosecution or criminal cause involving a violation described in division (A) of this section, the court may formulate a basic training course and a periodic continuing education course that such a mayor may complete to satisfy those educational standards, and may offer or provide for the offering of the basic training course and the periodic continuing education course to mayors of municipal corporations.

If the supreme court offers or provides for the offering of a basic training course and a periodic continuing education course formulated under this division, the court may prescribe a reasonable fee to cover the cost associated with formulating, offering, and teaching the particular course, which fee would have to be paid by each mayor who attends the particular course or the municipal corporation served by the mayor.

If the supreme court offers or provides for the offering of a basic training course and a periodic continuing education course formulated under this division, the court or other entity that offers either course shall issue to each mayor who successfully completes the particular course a certificate attesting to the mayor's satisfactory completion of the particular course.

(C) Notwithstanding section 1905.01 of the Revised Code, if the supreme court adopts rules under authority of division (A) of this section, if the supreme court formulates a basic training course and a periodic continuing education course under division (B) of this section, and if the supreme court offers or provides for the offering of the basic training course and the periodic continuing education course to mayors, a mayor shall not hear or determine, on or after July 1, 1991, any prosecution or criminal cause involving a violation described in division (A) of this section unless the exemption under the provisions described in division (A)(5) of this section applies to the mayor, or unless, prior to hearing the prosecution or criminal cause, the mayor successfully has completed the basic training course offered or provided for by the supreme court and has been issued a certificate attesting to satisfactory completion of the basic training course and also successfully has completed any periodic continuing education course offered or provided for by the supreme court that is applicable to the mayor under the rules and has been issued a certificate attesting to satisfactory completion of the periodic continuing education course.

This division does not affect and shall not be construed as affecting the authority of a mayor to appoint a mayor's court magistrate under section 1905.05 of the Revised Code. If a mayor is prohibited from hearing or determining a prosecution or criminal cause involving a violation described in division (A) of this section due to the operation of this division, the prohibition against the mayor hearing or determining the prosecution or cause does not affect and shall not be construed as affecting the jurisdiction or authority of a mayor's court magistrate appointed under that section to hear and determine the prosecution or cause in accordance with that section.

Sec. 1905.05. (A) A mayor of a municipal corporation that has a mayor's court may appoint a person as mayor's court magistrate to hear and determine prosecutions and criminal causes in the mayor's court that are within the jurisdiction of the mayor's court, as set forth in section 1905.01 of the Revised Code. No person shall be appointed as a mayor's court magistrate unless the person has been admitted to the practice of law in this state and, for a total of at least three years preceding the person's appointment or the commencement of the person's service as magistrate, has been engaged in the practice of law in this state or served as a judge of a court of record in any jurisdiction in the United States, or both.

A person appointed as a mayor's court magistrate under this division is entitled to hear and determine prosecutions and criminal causes in the mayor's court that are within the jurisdiction of the mayor's court, as set forth in section 1905.01 of the Revised Code. If a mayor is prohibited from hearing or determining a prosecution or cause that charges a person with a violation of section 4511.19 of the Revised Code or with a violation of a

municipal OVI ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse or relating to operating a vehicle with a prohibited concentration of alcohol as defined in section 4511.181 of the blood, breath, or urine Revised Code due to the operation of division (C) of section 1905.03 of the Revised Code, or is prohibited from hearing or determining any other prosecution or cause due to the operation of division (C) of section 1905.031 of the Revised Code, the prohibition against the mayor hearing or determining the prosecution or cause does not affect and shall not be construed as affecting the jurisdiction or authority of a person appointed as a mayor's court magistrate under this division to hear and determine the prosecution or cause in accordance with this section. In hearing and determining such prosecutions and causes, the magistrate has the same powers, duties, and authority as does a mayor who conducts a mayor's court to hear and determine prosecutions and causes in general, including, but not limited to, the power and authority to decide the prosecution or cause, enter judgment, and impose sentence; the powers, duties, and authority granted to mayors of mayor's courts by this chapter, in relation to the hearing and determination of prosecutions and causes in mayor's courts; and the powers, duties, and authority granted to mayors of mayor's courts by any other provision of the Revised Code, in relation to the hearing and determination of prosecutions and causes in mayor's courts. A judgment entered and a sentence imposed by a mayor's court magistrate do not have to be reviewed or approved by the mayor who appointed the magistrate, and have the same force and effect as if they had been entered or imposed by the mayor.

A person appointed as a mayor's court magistrate under this division is not entitled to hear or determine any prosecution or criminal cause other than prosecutions and causes that are within the jurisdiction of the mayor's court, as set forth in section 1905.01 of the Revised Code.

A municipal corporation that a mayor's court magistrate serves shall pay the compensation for the services of the magistrate, which shall be either a fixed annual salary set by the legislative authority of the municipal corporation or a fixed annual amount or fees for services rendered set under a contract the magistrate and the municipal corporation enter into.

Sec. 4510.17. (A) The registrar of motor vehicles shall impose a class D suspension of the person's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the person, at the person's last known address as shown in the records of the bureau of motor vehicles, informing the person of the suspension, that the suspension will take effect twenty-one

days from the date of the notice, and that, if the person wishes to appeal the suspension or denial, the person must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding persons who plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(B) The registrar shall impose a class D suspension of the person's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any person who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially similar to section 4511.19 of the Revised Code. If the person requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the person actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the person's nonresident operating privilege imposed by the state or federal court, whichever is earlier.

(C) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or any federal statute that is substantially similar to section 2925.02, 2925.03, 2925.04, 2925.041, 2925.05, 2925.06, 2925.11, 2925.12, 2925.13, 2925.14, 2925.22, 2925.23, 2925.31, 2925.32, 2925.36, or 2925.37 of the Revised Code. Upon receipt of a report from a court, court clerk, or other official of any other state or from any federal authority that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension or denial will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

The registrar shall subscribe to or otherwise participate in any information system or register, or enter into reciprocal and mutual agreements with other states and federal authorities, in order to facilitate the exchange of information with other states and the United States government regarding children who are residents of this state and plead guilty to or are convicted of offenses described in this division and therefore are subject to the suspension or denial described in this division.

(D) The registrar shall impose a class D suspension of the child's driver's license, commercial driver's license, temporary instruction permit, probationary license, or nonresident operating privilege for the period of time specified in division (B)(4) of section 4510.02 of the Revised Code on any child who is a resident of this state and is convicted of or pleads guilty to a violation of a statute of any other state or a municipal ordinance of a municipal corporation located in any other state that is substantially

similar to section 4511.19 of the Revised Code. Upon receipt of a report from another state made pursuant to section 4510.61 of the Revised Code indicating that a child who is a resident of this state was convicted of or pleaded guilty to an offense described in this division, the registrar shall send a notice by regular first class mail to the child, at the child's last known address as shown in the records of the bureau of motor vehicles, informing the child of the suspension, that the suspension will take effect twenty-one days from the date of the notice, and that, if the child wishes to appeal the suspension, the child must file a notice of appeal within twenty-one days of the date of the notice requesting a hearing on the matter. If the child requests a hearing, the registrar shall hold the hearing not more than forty days after receipt by the registrar of the notice of appeal. The filing of a notice of appeal does not stay the operation of the suspension that must be imposed pursuant to this division. The scope of the hearing shall be limited to whether the child actually was convicted of or pleaded guilty to the offense for which the suspension is to be imposed.

The suspension the registrar is required to impose under this division shall end either on the last day of the class D suspension period or of the suspension of the child's nonresident operating privilege imposed by the state or federal court, whichever is earlier. If the child is a resident of this state who is sixteen years of age or older and does not have a current, valid Ohio driver's or commercial driver's license or permit, the notice shall inform the child that the child will be denied issuance of a driver's or commercial driver's license or permit for six months beginning on the date of the notice. If the child has not attained the age of sixteen years on the date of the notice, the notice shall inform the child that the period of denial of six months shall commence on the date the child attains the age of sixteen years.

(E) Any person whose license or permit has been suspended pursuant to this section may file a petition in the municipal or county court, or in case the person is under eighteen years of age, the juvenile court, in whose jurisdiction the person resides, agreeing to pay the cost of the proceedings and alleging that the suspension would seriously affect the person's ability to continue the person's employment. Upon satisfactory proof that there is reasonable cause to believe that the suspension would seriously affect the person's ability to continue the person's employment, the judge may grant the person limited driving privileges during the period during which the suspension otherwise would be imposed, except that the judge shall not grant limited driving privileges for employment as a driver of a commercial motor vehicle to any person who would be disqualified from operating a commercial motor vehicle under section 4506.16 of the Revised Code if the violation had occurred in this state, or during any of the following periods of time:

(1) The first fifteen days of a suspension under division (B) or (D) of this section, if the person has not been convicted within six years of the date of the offense giving rise to the suspension under this section of a violation of any of the following:

(a) Section 4511.19 of the Revised Code, or a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse;

(b) A municipal ordinance relating to operating a motor vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the whole blood, blood serum or plasma, breath, or urine;

(c) Section 2903.04 of the Revised Code in a case in which the person was subject to the sanctions described in division (D) of that section;

(d) Division (A)(1) of section 2903.06 or division (A)(1) of section 2903.08 of the Revised Code or a municipal ordinance that is substantially similar to either of those divisions;

(e) Division (A)(2), (3), or (4) of section 2903.06, division (A)(2) of section 2903.08, or as it existed prior to March 23, 2000, section 2903.07 of the Revised Code, or a municipal ordinance that is substantially similar to any of those divisions or that former section, in a case in which the jury or judge found that the person was under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse.

(2) The first thirty days of a suspension under division (B) or (D) of this section, if the person has been convicted one time within six years of the date of the offense giving rise to the suspension under this section of any violation identified in division (E)(1) of this section.

(3) The first one hundred eighty days of a suspension under division (B) or (D) of this section, if the person has been convicted two times within six years of the date of the offense giving rise to the suspension under this section of any violation identified in division (E)(1) of this section.

(4) No limited driving privileges may be granted if the person has been convicted three or more times within five years of the date of the offense giving rise to a suspension under division (B) or (D) of this section of any violation identified in division (E)(1) of this section.

If a person petitions for limited driving privileges under division (E) of this section, the registrar shall be represented by the county prosecutor of the county in which the person resides if the petition is filed in a juvenile court or county court, except that if the person resides within a city or village that is located within the jurisdiction of the county in which the petition is filed, the city director of law or village solicitor of that city or village shall represent the registrar. If the petition is filed in a municipal court, the registrar shall be represented as provided in section 1901.34 of the Revised Code.

In granting limited driving privileges under division (E) of this section, the court may impose any condition it considers reasonable and necessary to limit the use of a vehicle by the person. The court shall deliver to the person a permit card, in a form to be prescribed by the court, setting forth the time, place, and other conditions limiting the person's use of a motor vehicle. The grant of limited driving privileges shall be

conditioned upon the person's having the permit in the person's possession at all times during which the person is operating a vehicle.

A person granted limited driving privileges who operates a vehicle for other than limited purposes, in violation of any condition imposed by the court or without having the permit in the person's possession, is guilty of a violation of section 4510.11 of the Revised Code.

(F) As used in divisions (C) and (D) of this section:

(1) "Child" means a person who is under the age of eighteen years, except that any person who violates a statute or ordinance described in division (C) or (D) of this section prior to attaining eighteen years of age shall be deemed a "child" irrespective of the person's age at the time the complaint or other equivalent document is filed in the other state or a hearing, trial, or other proceeding is held in the other state on the complaint or other equivalent document, and irrespective of the person's age when the period of license suspension or denial prescribed in division (C) or (D) of this section is imposed.

(2) "Is convicted of or pleads guilty to" means, as it relates to a child who is a resident of this state, that in a proceeding conducted in a state or federal court located in another state for a violation of a statute or ordinance described in division (C) or (D) of this section, the result of the proceeding is any of the following:

(a) Under the laws that govern the proceedings of the court, the child is adjudicated to be or admits to being a delinquent child or a juvenile traffic offender for a violation described in division (C) or (D) of this section that would be a crime if committed by an adult;

(b) Under the laws that govern the proceedings of the court, the child is convicted of or pleads guilty to a violation described in division (C) or (D) of this section;

(c) Under the laws that govern the proceedings of the court, irrespective of the terminology utilized in those laws, the result of the court's proceedings is the functional equivalent of division (F)(2)(a) or (b) of this section.

Sec. 4510.54. (A) A person whose driver's or commercial driver's license has been suspended for life under a class one suspension or as otherwise provided by law or has been suspended for a period in excess of fifteen years under a class two suspension may file a motion with the sentencing court for modification or termination of the suspension. The person filing the motion shall demonstrate all of the following:

(1) At least fifteen years have elapsed since the suspension began.

(2) For the past fifteen years, the person has not been found guilty of any felony, any offense involving a moving violation under federal law, the law of this state, or the law of any of its political subdivisions, or any violation of a suspension under this chapter or a substantially equivalent municipal ordinance.

(3) The person has proof of financial responsibility, a policy of liability insurance in effect that meets the minimum standard set forth in section 4509.51 of the Revised Code, or proof, to the satisfaction of the registrar of motor vehicles, that the person is able to respond in damages in an amount at least equal to the minimum amounts specified in that section.

(4) If the suspension was imposed because the person was under the influence of alcohol, a drug of abuse, or combination of them at the time of the offense or because at the time of the offense the person's whole blood, blood serum or plasma, breath, or urine contained at least the concentration of alcohol specified in division (A)(1)(b), (c), (d), or (e) of section 4511.19 of the Revised Code or at least the concentration of a listed controlled substance or a listed metabolite of a controlled substance specified in division (A)(1)(j) of section 4511.19 of the Revised Code, the person also shall demonstrate all of the following:

(b) The person has not abused alcohol or other drugs for a period satisfactory to the court.

(c) For the past fifteen years, the person has not been found guilty of any alcohol-related or drug-related offense.

(B) Upon receipt of a motion for modification or termination of the suspension under this section, the court may schedule a hearing on the motion. The court may deny the motion without a hearing but shall not grant the motion without a hearing. If the court denies a motion without a hearing, the court may consider a subsequent motion filed under this section by that person. If a court denies the motion after a hearing, the court shall not consider a subsequent motion for that person. The court shall hear only one motion filed by a person under this section. If scheduled, the hearing shall be conducted in open court within ninety days after the date on which the motion is filed.

(C) The court shall notify the person whose license was suspended and the prosecuting attorney of the date, time, and location of the hearing. Upon receipt of the notice from the court, the prosecuting attorney shall notify the victim or the victim's representative of the date, time, and location of the hearing.

(D) At any hearing under this section, the person who seeks modification or termination of the suspension has the burden to demonstrate, under oath, that the person meets the requirements of division (A) of this section. At the hearing, the court shall afford the offender or the offender's counsel an opportunity to present oral or written information relevant to the motion. The court shall afford a similar opportunity to provide relevant information to the prosecuting attorney and the victim or victim's representative.

Before ruling on the motion, the court shall take into account the person's driving record, the nature of the offense that led to the suspension, and the impact of the offense on any

victim. In addition, if the offender is eligible for modification or termination of the suspension under division (A)(2) of this section, the court shall consider whether the person committed any other offense while under suspension and determine whether the offense is relevant to a determination under this section. The court may modify or terminate the suspension subject to any considerations it considers proper if it finds that allowing the person to drive is not likely to present a danger to the public. After the court makes a ruling on a motion filed under this section, the prosecuting attorney shall notify the victim or the victim's representative of the court's ruling.

(E) If a court modifies a person's license suspension under this section and the person subsequently is found guilty of any moving violation or of any substantially equivalent municipal ordinance that carries as a possible penalty the suspension of a person's driver's or commercial driver's license, the court may reimpose the class one or other lifetime suspension, or the class two suspension, whichever is applicable.

(B) No person under twenty-one years of age shall operate any vehicle, streetcar, or trackless trolley within this state, if, at the time of the operation, any of the following apply:

(1) The person has a concentration of at least two-hundredths of one per cent but less than eight-hundredths of one per cent by weight per unit volume of alcohol in the person's whole blood.

(2) The person has a concentration of at least three-hundredths of one per cent but less than ninety-six-thousandths of one per cent by weight per unit volume of alcohol in the person's blood serum or plasma.

(3) The person has a concentration of at least two-hundredths of one gram but less than eight-hundredths of one gram by weight of alcohol per two hundred ten liters of the person's breath.

(4) The person has a concentration of at least twenty-eight one-thousandths of one gram but less than eleven-hundredths of one gram by weight of alcohol per one hundred milliliters of the person's urine.

(C) In any proceeding arising out of one incident, a person may be charged with a violation of division (A)(1)(a) or (A)(2) and a violation of division (B)(1), (2), or (3) of this section, but the person may not be convicted of more than one violation of these divisions.

(D)(1) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section or for an equivalent offense, the court may admit evidence on the concentration of alcohol, drugs of abuse, controlled substances, metabolites of a controlled substance, or a combination of them in the defendant's whole blood, blood serum or plasma, breath, urine, or other bodily substance at the time of the alleged violation as shown by chemical analysis of the substance withdrawn within ~~two~~ three hours of the time of the alleged violation. The three-hour time limit specified in this division regarding the admission of evidence does not extend or affect the two-hour time limit specified in division (A) of section 4511.192 of the Revised Code as the maximum period of time during which a person may consent to a chemical test or tests as described in that section.

When a person submits to a blood test at the request of a law enforcement officer under section 4511.191 of the Revised Code, only a physician, a registered nurse, or a qualified

technician, chemist, or phlebotomist shall withdraw blood for the purpose of determining the alcohol, drug, controlled substance, metabolite of a controlled substance, or alcohol and drug combination content of the whole blood, blood serum, or blood plasma. This limitation does not apply to the taking of breath or urine specimens. A person authorized to withdraw blood under this division may refuse to withdraw blood under this division, if in that person's opinion, the physical welfare of the person would be endangered by the withdrawing of blood.

The bodily substance withdrawn shall be analyzed in accordance with methods approved by the director of health by an individual possessing a valid permit issued by the director pursuant to section 3701.143 of the Revised Code.

(2) In a criminal prosecution or juvenile court proceeding for a violation of division (A) of this section or for an equivalent offense, if there was at the time the bodily substance was withdrawn a concentration of less than the applicable concentration of alcohol specified in divisions (A)(1)(b), (c), (d), and (e) of this section or less than the applicable concentration of a listed controlled substance or a listed metabolite of a controlled substance specified for a violation of division (A)(1)(j) of this section, that fact may be considered with other competent evidence in determining the guilt or innocence of the defendant. This division does not limit or affect a criminal prosecution or juvenile court proceeding for a violation of division (B) of this section or for an equivalent offense that is substantially equivalent to that division.

(3) Upon the request of the person who was tested, the results of the chemical test shall be made available to the person or the person's attorney, immediately upon the completion of the chemical test analysis.

The person tested may have a physician, a registered nurse, or a qualified technician, chemist, or phlebotomist of the person's own choosing administer a chemical test or tests, at the person's expense, in addition to any administered at the request of a law enforcement officer. The form to be read to the person to be tested, as required under section 4511.192 of the Revised Code, shall state that the person may have an independent test performed at the person's expense. The failure or inability to obtain an additional chemical test by a person shall not preclude the admission of evidence relating to the chemical test or tests taken at the request of a law enforcement officer.

(4)(a) As used in divisions (D)(4)(b) and (c) of this section, "national highway traffic safety administration" means the national highway traffic safety administration established as an administration of the United States department of transportation under 96 Stat. 2415 (1983), 49 U.S.C.A. 105.

(b) In any criminal prosecution or juvenile court proceeding for a violation of division (A) or (B) of this section, of a municipal ordinance relating to operating a vehicle while under the influence of alcohol, a drug of abuse, or alcohol and a drug of abuse, or of a municipal ordinance relating to operating a vehicle with a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the blood,

breath, or urine, if a law enforcement officer has administered a field sobriety test to the operator of the vehicle involved in the violation and if it is shown by clear and convincing evidence that the officer administered the test in substantial compliance with the testing standards for any reliable, credible, and generally accepted field sobriety tests that were in effect at the time the tests were administered, including, but not limited to, any testing standards then in effect that were set by the national highway traffic safety administration, all of the following apply:

(i) The officer may testify concerning the results of the field sobriety test so administered.

(ii) The prosecution may introduce the results of the field sobriety test so administered as evidence in any proceedings in the criminal prosecution or juvenile court proceeding.

(iii) If testimony is presented or evidence is introduced under division (D)(4)(b)(i) or (ii) of this section and if the testimony or evidence is admissible under the Rules of Evidence, the court shall admit the testimony or evidence and the trier of fact shall give it whatever weight the trier of fact considers to be appropriate.

(c) Division (D)(4)(b) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (D)(4)(b) of this section.

(E)(1) Subject to division (E)(3) of this section, in any criminal prosecution or juvenile court proceeding for a violation of division (A)(1)(b), (c), (d), (e), (f), (g), (h), ~~or (i), or (j)~~ or (B)(1), (2), (3), or (4) of this section or for an equivalent offense that is substantially equivalent to any of those divisions, a laboratory report from any ~~forensic~~ laboratory certified personnel issued a permit by the department of health authorizing an analysis as described in this division that contains an analysis of the whole blood, blood serum or plasma, breath, urine, or other bodily substance tested and that contains all of the information specified in this division shall be admitted as prima-facie evidence of the information and statements that the report contains. The laboratory report shall contain all of the following:

(a) The signature, under oath, of any person who performed the analysis;

(b) Any findings as to the identity and quantity of alcohol, a drug of abuse, a controlled substance, a metabolite of a controlled substance, or a combination of them that was found;

(c) A copy of a notarized statement by the laboratory director or a designee of the director that contains the name of each certified analyst or test performer involved with the report, the analyst's or test performer's employment relationship with the laboratory that issued the report, and a notation that performing an analysis of the type involved is part of the analyst's or test performer's regular duties;

(d) An outline of the analyst's or test performer's education, training, and experience in performing the type of analysis involved and a certification that the laboratory satisfies appropriate quality control standards in general and, in this particular analysis, under rules of the department of health.

(2) Notwithstanding any other provision of law regarding the admission of evidence, a report of the type described in division (E)(1) of this section is not admissible against the defendant to whom it pertains in any proceeding, other than a preliminary hearing or a grand jury proceeding, unless the prosecutor has served a copy of the report on the defendant's attorney or, if the defendant has no attorney, on the defendant.

(3) A report of the type described in division (E)(1) of this section shall not be prima-facie evidence of the contents, identity, or amount of any substance if, within seven days after the defendant to whom the report pertains or the defendant's attorney receives a copy of the report, the defendant or the defendant's attorney demands the testimony of the person who signed the report. The judge in the case may extend the seven-day time limit in the interest of justice.

(F) Except as otherwise provided in this division, any physician, registered nurse, or qualified technician, chemist, or phlebotomist who withdraws blood from a person pursuant to this section, and any hospital, first-aid station, or clinic at which blood is withdrawn from a person pursuant to this section, is immune from criminal liability and civil liability based upon a claim of assault and battery or any other claim that is not a claim of malpractice, for any act performed in withdrawing blood from the person. The immunity provided in this division is not available to a person who withdraws blood if the person engages in willful or wanton misconduct.

(G)(1) Whoever violates any provision of divisions (A)(1)(a) to (i) or (A)(2) of this section is guilty of operating a vehicle under the influence of alcohol, a drug of abuse, or a combination of them. Whoever violates division (A)(1)(j) of this section is guilty of operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance. The court shall sentence the offender for either offense under Chapter 2929. of the Revised Code, except as otherwise authorized or required by divisions (G)(1)(a) to (e) of this section:

(a) Except as otherwise provided in division (G)(1)(b), (c), (d), or (e) of this section, the offender is guilty of a misdemeanor of the first degree, and the court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), ~~or (e), or (j)~~ of this section, a mandatory jail term of three consecutive days. As used in this division, three consecutive days means seventy-two consecutive hours. The court may sentence an offender to both an intervention program and a jail term. The court may impose a jail term in addition to the three-day mandatory jail term or intervention program. However, in no case shall the cumulative jail term imposed for the offense exceed six months.

The court may suspend the execution of the three-day jail term under this division if the court, in lieu of that suspended term, places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code and requires the offender to attend, for three consecutive days, a drivers' intervention program certified under section 3793.10 of the Revised Code. The court also may suspend the execution of any part of the three-day jail term under this division if it places the offender under a community control sanction pursuant to section 2929.25 of the Revised Code for part of the three days, requires the offender to attend for the suspended part of the term a drivers' intervention program so certified, and sentences the offender to a jail term equal to the remainder of the three consecutive days that the offender does not spend attending the program. The court may require the offender, as a condition of community control and in addition to the required attendance at a drivers' intervention program, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose on the offender any other conditions of community control that it considers necessary.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of at least three consecutive days and a requirement that the offender attend, for three consecutive days, a drivers' intervention program that is certified pursuant to section 3793.10 of the Revised Code. As used in this division, three consecutive days means seventy-two consecutive hours. If the court determines that the offender is not conducive to treatment in a drivers' intervention program, if the offender refuses to attend a drivers' intervention program, or if the jail at which the offender is to serve the jail term imposed can provide a driver's intervention program, the court shall sentence the offender to a mandatory jail term of at least six consecutive days.

The court may require the offender, under a community control sanction imposed under section 2929.25 of the Revised Code, to attend and satisfactorily complete any treatment or education programs that comply with the minimum standards adopted pursuant to Chapter 3793. of the Revised Code by the director of alcohol and drug addiction services, in addition to the required attendance at drivers' intervention program, that the operators of the drivers' intervention program determine that the offender should attend and to report periodically to the court on the offender's progress in the programs. The court also may impose any other conditions of community control on the offender that it considers necessary.

(iii) In all cases, a fine of not less than two hundred fifty and not more than one thousand dollars;

(iv) In all cases, a class five license suspension of the offender's driver's or commercial driver's license or permit or nonresident operating privilege from the range specified in division (A)(5) of section 4510.02 of the Revised Code. The court may grant limited

driving privileges relative to the suspension under sections 4510.021 and 4510.13 of the Revised Code.

(b) Except as otherwise provided in division (G)(1)(e) of this section, an offender who, within six years of the offense, previously has been convicted of or pleaded guilty to one violation of division (A) or (B) of this section or one other equivalent offense is guilty of a misdemeanor of the first degree. The court shall sentence the offender to all of the following:

(i) If the sentence is being imposed for a violation of division (A)(1)(a), (b), (c), (d), ~~or~~ (e), or (j) of this section, a mandatory jail term of ten consecutive days. The court shall impose the ten-day mandatory jail term under this division unless, subject to division (G)(3) of this section, it instead imposes a sentence under that division consisting of both a jail term and a term of house arrest with electronic monitoring, with continuous alcohol monitoring, or with both electronic monitoring and continuous alcohol monitoring. The court may impose a jail term in addition to the ten-day mandatory jail term. The cumulative jail term imposed for the offense shall not exceed six months.

In addition to the jail term or the term of house arrest with electronic monitoring or continuous alcohol monitoring or both types of monitoring and jail term, the court may require the offender to attend a drivers' intervention program that is certified pursuant to section 3793.10 of the Revised Code. If the operator of the program determines that the offender is alcohol dependent, the program shall notify the court, and, subject to division (I) of this section, the court shall order the offender to obtain treatment through an alcohol and drug addiction program authorized by section 3793.02 of the Revised Code.

(ii) If the sentence is being imposed for a violation of division (A)(1)(f), (g), (h), or (i) or division (A)(2) of this section, except as otherwise provided in this division, a mandatory jail term of twenty consecutive days. Any subsequent finding that the person is not guilty of the charge that resulted in the person being requested to take the chemical test or tests under division (A) of this section does not affect the suspension.

(2) If a person is arrested for operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance, or for being in physical control of a vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, regardless of whether the person's driver's or commercial driver's license or permit or nonresident operating privilege is or is not suspended under division (B) or (C) of this section or Chapter 4510. of the Revised Code, the person's initial appearance on the charge resulting from the arrest shall be held within five days of the person's arrest or the issuance of the citation to the person, subject to any continuance granted by the court pursuant to section 4511.197 of the Revised Code regarding the issues specified in that division.

(E) When it finally has been determined under the procedures of this section and sections 4511.192 to 4511.197 of the Revised Code that a nonresident's privilege to operate a vehicle within this state has been suspended, the registrar shall give information in writing of the action taken to the motor vehicle administrator of the state of the person's residence and of any state in which the person has a license.

(F) At the end of a suspension period under this section, under section 4511.194, section 4511.196, or division (G) of section 4511.19 of the Revised Code, or under section 4510.07 of the Revised Code for a violation of a municipal OVI ordinance and upon the request of the person whose driver's or commercial driver's license or permit was suspended and who is not otherwise subject to suspension, cancellation, or disqualification, the registrar shall return the driver's or commercial driver's license or permit to the person upon the occurrence of all of the conditions specified in divisions (F)(1) and (2) of this section:

(A) The arresting law enforcement officer shall give advice in accordance with this section to any person under arrest for a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance. The officer shall give that advice in a written form that contains the information described in division (B) of this section and shall read the advice to the person. The form shall contain a statement that the form was shown to the person under arrest and read to the person by the arresting officer. One or more persons shall witness the arresting officer's reading of the form, and the witnesses shall certify to this fact by signing the form. The person must submit to the chemical test or tests, subsequent to the request of the arresting officer, within two hours of the time of the alleged violation and, if the person does not submit to the test or tests within that two-hour time limit, the failure to submit automatically constitutes a refusal to submit to the test or tests.

(B) If a person is under arrest as described in division (A) of this section, before the person may be requested to submit to a chemical test or tests to determine the alcohol ~~and~~ drug of abuse, controlled substance, metabolite of a controlled substance, or

combination content of the person's whole blood, blood serum or plasma, breath, or urine, the arresting officer shall read the following form to the person:

"You now are under arrest for (specifically state the offense under state law or a substantially equivalent municipal ordinance for which the person was arrested - operating a vehicle under the influence of alcohol, a drug, or a combination of them; operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance; operating a vehicle after underage alcohol consumption; or having physical control of a vehicle while under the influence).

If you refuse to take any chemical test required by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated. If you have a prior ~~OVI or OVUAC~~ conviction of OVI, OVUAC, or operating a vehicle while under the influence of a listed controlled substance or a listed metabolite of a controlled substance under state or municipal law within the preceding twenty years, you now are under arrest for state OVI, and, if you refuse to take a chemical test, you will face increased penalties if you subsequently are convicted of the state OVI.

(Read this part unless the person is under arrest for solely having physical control of a vehicle while under the influence.) If you take any chemical test required by law and are found to be at or over the prohibited amount of alcohol, a controlled substance, or a metabolite of a controlled substance in your whole blood, blood serum or plasma, breath, or urine as set by law, your Ohio driving privileges will be suspended immediately, and you will have to pay a fee to have the privileges reinstated.

If you take a chemical test, you may have an independent chemical test taken at your own expense."

(C) If the arresting law enforcement officer does not ask a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, the arresting officer shall seize the Ohio or out-of-state driver's or commercial driver's license or permit of the person and immediately forward it to the court in which the arrested person is to appear on the charge. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the arrest, and, upon the surrender, the agency immediately shall forward the license or permit to the court in which the person is to appear on the charge. Upon receipt of the license or permit, the court shall retain it pending the arrested person's initial appearance and any action taken under section 4511.196 of the Revised Code.

(D)(1) If a law enforcement officer asks a person under arrest as described in division (A) of this section to submit to a chemical test or tests under section 4511.191 of the Revised Code, if the officer advises the person in accordance with this section of the consequences of the person's refusal or submission, and if either the person refuses to submit to the test or tests or, unless the arrest was for a violation of section 4511.194 of

the Revised Code or a substantially equivalent municipal ordinance, the person submits to the test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense, the arresting officer shall do all of the following:

(a) On behalf of the registrar of motor vehicles, notify the person that, independent of any penalties or sanctions imposed upon the person, the person's Ohio driver's or commercial driver's license or permit or nonresident operating privilege is suspended immediately, that the suspension will last at least until the person's initial appearance on the charge, which will be held within five days after the date of the person's arrest or the issuance of a citation to the person, and that the person may appeal the suspension at the initial appearance or during the period of time ending thirty days after that initial appearance;

(b) Seize the driver's or commercial driver's license or permit of the person and immediately forward it to the registrar. If the arrested person is not in possession of the person's license or permit or it is not in the person's vehicle, the officer shall order the person to surrender it to the law enforcement agency that employs the officer within twenty-four hours after the person is given notice of the suspension, and, upon the surrender, the officer's employing agency immediately shall forward the license or permit to the registrar.

(c) Verify the person's current residence and, if it differs from that on the person's driver's or commercial driver's license or permit, notify the registrar of the change;

(d) Send to the registrar, within forty-eight hours after the arrest of the person, a sworn report that includes all of the following statements:

(i) That the officer had reasonable grounds to believe that, at the time of the arrest, the arrested person was operating a vehicle, streetcar, or trackless trolley in violation of division (A) or (B) of section 4511.19 of the Revised Code or a municipal OVI ordinance or for being in physical control of a stationary vehicle, streetcar, or trackless trolley in violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance;

(ii) That the person was arrested and charged with a violation of division (A) or (B) of section 4511.19 of the Revised Code, section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, or a municipal OVI ordinance;

(iii) That the officer asked the person to take the designated chemical test or tests, advised the person in accordance with this section of the consequences of submitting to, or refusing to take, the test or tests, and gave the person the form described in division (B) of this section;

(iv) That either the person refused to submit to the chemical test or tests or, unless the arrest was for a violation of section 4511.194 of the Revised Code or a substantially

equivalent municipal ordinance, the person submitted to the chemical test or tests and the test results indicate a prohibited concentration of alcohol, a controlled substance, or a metabolite of a controlled substance in the person's whole blood, blood serum or plasma, breath, or urine at the time of the alleged offense.

(2) Division (D)(1) of this section does not apply to a person who is arrested for a violation of section 4511.194 of the Revised Code or a substantially equivalent municipal ordinance, who is asked by a law enforcement officer to submit to a chemical test or tests under section 4511.191 of the Revised Code, and who submits to the test or tests, regardless of the amount of alcohol, a controlled substance, or a metabolite of a controlled substance that the test results indicate is present in the person's whole blood, blood serum or plasma, breath, or urine.

(E) The arresting officer shall give the officer's sworn report that is completed under this section to the arrested person at the time of the arrest, or the registrar of motor vehicles shall send the report to the person by regular first class mail as soon as possible after receipt of the report, but not later than fourteen days after receipt of it. An arresting officer may give an unsworn report to the arrested person at the time of the arrest provided the report is complete when given to the arrested person and subsequently is sworn to by the arresting officer. As soon as possible, but not later than forty-eight hours after the arrest of the person, the arresting officer shall send a copy of the sworn report to the court in which the arrested person is to appear on the charge for which the person was arrested.

(F) The sworn report of an arresting officer completed under this section is prima-facie proof of the information and statements that it contains. It shall be admitted and considered as prima-facie proof of the information and statements that it contains in any appeal under section 4511.197 of the Revised Code relative to any suspension of a person's driver's or commercial driver's license or permit or nonresident operating privilege that results from the arrest covered by the report.

(2) Division (C)(1) of this section does not limit or preclude a court, in its determination of whether the arrest of a person was supported by probable cause or its determination of any other matter in a criminal prosecution or juvenile court proceeding of a type described in that division, from considering evidence or testimony that is not otherwise disallowed by division (C)(1) of this section.
